Report of 2000 FOSI Membership and Financial Progress

Membership By End Of 2000

During year 2000, 55 general members had been added, while 15 application forms of student members had been accepted. Therefore, by 31 December 2000, FOSI have listed 348 members which consist of 252 general members (COM, EDU, and GOV) and 96 student members.

Three people of 252 listed-general members had passed away. The rest consist of 161 COM-members (industrial people), 49 EDU-members (lecturers in universities), and 39 GOV-members (people working for government institutions).

Eighty-eight percent or 218 of active general members are gentlemen, while 31 members (12%) are ladies.

Six persons of 96 listed-student members have been graduated by the end of 2000. So there are 90 people who remained still as student members. They have been studying in Department of Geology in following universities: Trisakti University (Jakarta), Bandung Institute of Technology (Bandung), Padjadjaran University (Bandung), Gadjah Mada University (Yogyakarta), UPN "Veteran" University (Yogyakarta), STTNAS (Yogyakarta), and Hasanuddin University (Ujungpandang).

2000 Financial Report

FOSI's treasurer has written the Monthly Financial Reports and delivered them to the committee of FOSI every month.
In this article, FOSI's financial condition is only reported briefly. A detail financial report could be provided for all FOSI's members on request basis.

During year 2000, FOSI had received Rp 17,488,810,- and spent Rp 32,923,891,-. The balance by end of 2000 was Rp 11,836,499,-. In US dollar currency, FOSI had received US$ 809.36 and its balance was US$ 2,948.88.

Fund-raising came from 2000 membership dues (including voluntary contributions) and sponsorship. By 31 December 2000, 154 members (45% of all members) had paid their 2000 membership dues (Rp 3,330,000,-). From 339 members (general and student members), fund of Rp 7,050,000,- should be able to be raised.

Fifty-nine members had given their voluntary contribution. An amount of Rp 1,966,000,- had been collected. FOSI would like to specially thank to them.

FOSI would like also to express thanks to institutions that financially had supported us during year 2000: Amerada Hess, Schlumberger, PT Sumagud Sapta Sinar, LASMO, and SEPM (Society for Sedimentary Geology).

Expenditure of FOSI had been paid mostly for our activities: Berita Sedimentologi (newsletter, including packaging and delivery costs), Tour Lecturing, Evening Talk, and preparation of the 2nd Regional Seminar.
